

# Welcome to the Muskegon Heritage District

Welcome to the most wonderful walk or trolley ride in West Michigan! The "HD" is filled with special sights and sounds of history and today's cultural life.

All around the historic streets of Western and Webster Avenues you will see painted lady homes, cultural attractions, museums, sculptures, and beautiful gardens.

Listen for the clock and church bells.

You may stumble across musicians on an outdoor stage or inside a local brewery. Meet local farmers, crafters and residents selling their wares at the open air market. Step into a local eatery, watering hole or unique souvenir shop along the way.

Spend some time with us before or after you enjoy an adventure on breathtaking Muskegon Lake just steps, or a bike trail, away.
