Candidate Star Rating Key

All ratings were determined through candidate interviews conducted by volunteers.

Five Stars: Candidate understands the economic issues impacting the business community and is ready and able to stand up for business to help create jobs and prosperity for Muskegon County.

Four Stars: Candidate understands a number of the economic issues that impact business and will stand up for business when necessary to help Muskegon County grow and prosper.

Three Stars: Candidate needs to become better informed on the issues facing today's businesses but is open to listening to the concerns of business.

Two Stars: Candidate's response to questions reflected minimal interest in business issues.

One Star: Candidate provided completed questionnaire but did not interview.

No Stars: Candidate did not accept invitation to participate.
